Benvenuti a Solare

In our cooking, I select fresh ingredients every day. I maintain personal relationships with our suppliers, and know the exact sources of our meat, fish and vegetables. This respect for raw ingredients is the starting point for our style in the kitchen. Blending modern and traditional tastes, we play with new textures and flavors while honoring the simple essences of Italian cuisine. The resulting dishes are delicately prepared, light, healthy, and brimming with the natural flavors of our fresh ingredients. Our commitment here at Solare is to serve the cuisine of today, created with all the love and attention to detail from generations past. I am delighted to have you try the dishes that I have created for Restaurant Week.

Executive Chef, Accursio Lotà

We welcome you to the Solare Family for San Diego Restaurant Week 2016! It is our goal to offer to you an amazing dining experience. We are an authentic Italian restaurant with a special focus on southern Italy and Sicily in particular. With over 2,000 bottles of wine in our cellar and over 30 wines by the glass, I am confident you will find the right ones to compliment your dinner. And, please check out the special “dessert cocktail” that Tommy designed for the menu that celebrates the craft cocktail and mixology program we have at Solare. Enjoy!

Cooking Classes

See and learn from Chefs Accursio and Brian as they lead the Cooking Classes held at Solare. Our Cooking Classes offer a truly hands-on experience in our kitchen allowing each student to create Italian cuisine themselves to make at home. The classes are held approximately every other Saturday, and the fun starts at 10:30am at Solare with an Italian-style coffee of your choice and a pastry. Italian wine is served for students interested in “cooking with wine”. – Limit 10 per class to allow more quality time with the Chef. \$75/person. Advance reservation required.

Classes for 10 or more friends are of great fun for a culinary feast, or Team Building for corporate and other private groups.
