Grant Grill | THE US GRANT

A storied icon since 1910, THE US GRANT, a Luxury Collection Hotel, crowns Downtown San Diego with a central location adjacent to the Horton Plaza Park and bustling Gaslamp Quarter. Built by the son of 18th U.S. President Ulysses S. Grant, the hotel's legacy spans running a successful speakeasy during Prohibition to hosting 15 U.S. Presidents. Today, guests are immersed in exquisite surroundings, newly restyled with the hotel's \$13 million refresh. The Grant Grill opened as THE US GRANT's fine dining restaurant in 1951 and continues its tradition of excellence with an internationally renowned beverage program, featuring innovative craft cocktails, an extensive beer collection and fine wines that pair with seasonal California cuisine. THE US GRANT and Grant Grill's Executive Chef Mark Kropczynski was recently awarded "Chef of the Fest" at the 2016 San Diego Bay Wine & Food Festival.
