Sally's Fish House & Bar

One Market Place San Diego, CA 92101

Not only are our patios pet friendly, but we even have a menu to cater to the many pups that walk up and down the boardwalk near San Diego Bay. Along with their own souvenir dog bowl, we serve our homemade PUPcakes, crab-shaped doggy treats, and even their own hot entrée of chicken and white rice served al-fresco! Keep an eye out for our puppy Meet & Greet events held several times throughout the year!
